So, you don't realize exactly what you do  
And though you never compromise  
It's all been up to you  
The lie you've been leading  
Has you up to here in sin  
You never like to think about it  
Now you just can't win

You're committing  
Sin after sin  
Can't you feel it  
Sin after sin  
It's so real it's  
Sin after sin  
Just look around you  
Sin after sin  
Satan's found you

Thought yourself respectable  
But deep inside you know  
You've violated all the rules  
And never let it show  
Figuring you had time  
To straighten out the lie you lead  
You didn't stop to notice  
As your soul began to bleed!

From committing  
Sin after sin  
Can't you see now  
Sin after sin  
You ain't free now  
Sin after sin  
You're committed to damnation  
Sin after sin  
Lest you repent there's no salvation

He's manipulating, salivating  
Promising only lies  
First he'll confuse you  
Then abuse you  
He's ever on the rise

You've got to realize  
It is he who tolls the bell  
You must open up your eyes  
Before you're burning deep in hell!

You're committing  
Sin after sin  
Can't you feel it  
Sin after sin  
It's so real it's  
Sin after sin  
Just look around you  
Sin after sin  
Oh, my god now satan's found you  
Sin after sin, ahhh!  
Sin after sin, ahhh!  
Come on now  
Sin after sin, ahhh!  
Sin after sin, ahhh!  
You know it's  
Sin after sin, ahhh!  
Sin after sin, ahhh!  
You've damned yourself, you've damned yourself  
Sin after sin, ahhh!  
Sin after sin, ahhh!  
Lord help you!
