(words & music: D. Snider)

Tonight

Are you ready for a hard time, are you ready for the
ball to top 'em all

Are you ready for the long ride, are you ready for the
rise before a fall

Are you ready for the big game, are you ready for the
coup de tat, et al

Are you ready for the long train, are you ready for the
final curtain call

Well, we're gonna kill 'em, gonna stomp 'em tonight

Yeah, we're gonna thrill 'em, gonna do 'em up right

Oh, we're gonna take 'em, gonna give 'em a fright

Tonight, tonight, tonight, tonight

CHORUS:

Tonight, tonight, we're gonna lose control

Tonight, tonight, we're gonna have you all

Tonight, tonight, you're gonna beg for more

Tonight, tonight

Tonight

Did you come to see the bad boys, did you come to
watch us shake, rattle and roll

Did you come to hear us make noise, did you come to
see us put it in the hole

Do you know that it's the right time, do you know that
it's the time to lose your mind

Do you know that it's not a crime if you're bending all
the rules that you can find

Well, we're gonna break 'em, gonna make 'em tonight

Yeah, we're gonna push 'em, gonna go for the light

Oh, we're gonna stroke 'em, gonna do it all night

Tonight, tonight, tonight, tonight

REPEAT CHORUS

Solo - Eddie

Well, we're gonna kill 'em, gonna stomp 'em tonight

Yeah, we're gonna thrill 'em, gonna do 'em up right
Oh, we're gonna take 'em, gonna give 'em a fright
Tonight, tonight, tonight, tonight

REPEAT CHORUS (twice)

Tonight
Did you come to see the bad boys
