A glint of steel  
A flash of light  
You know you're not going home tonight  
Be it jack or switch  
Doctor's or mind  
Nowhere to run, everywhere you'll find  
You can't escape  
From the bed you've made  
When your time has come, you'll accept the blade!

You're cornered in the alley way  
You know you're all alone  
You know it's gonna end this way  
The chill goes to the bone  
Now here it comes that glistening light  
It goes into your side  
The blackness comes  
Tonight's the night  
The blade is gonna ride

'cause you're under the blade  
Ohhh  
You're under the blade

It's not another party head  
This time you cannot rise  
Your hands are tied, your legs are strapped  
A light shines in your eyes  
You faintly see a razor's edge  
You open your mouth to cry  
You know you can't  
It's over now  
The blade is gonna ride

'cause you're under the blade  
Ohhh  
You're under the blade

A glint of steel  
A flash of light  
You know you're not going home tonight  
Be it jack or switch

Doctor's or mind  
Nowhere to run, everywhere you'll find  
You can't escape  
From the bed you've made  
When your time has come, you'll accept the blade!

You've tried to make it to the front  
You're pinned against the side  
A monster stands before you now  
Its mouth is open wide  
The lights go on, the night explodes  
It tears into your mind  
When the night does end, you'll come again  
The blade is gonna ride

'cause you're under the blade  
Ohhh  
You're under the blade  
Here it comes baby  
Whoaaaaaaahhhh...  
You're goin' down, down, down,  
Down, down, down, down, down, down, down, down,  
down, down...
