We'll make it

Been fighting for so long,  
Don't know which way up is  
Been stuck and ripped and burnt  
Till it feels like nothin'  
Our time will come,  
And when it's over and it's done,  
Those fools are gonna know  
That we ain't bluffin'

We're gonna make it  
We'll reach the top  
We're gonna make it  
And then  
We're never gonna stop

The power of the people  
Ain't been showin'  
It's never what you know  
Its who you're knowin'  
Sure it ain't right,  
But as the saying goes it's might  
That decides who stays behind  
And who'll be goin'

We're gonna make it  
We'll reach the top  
We're gonna make it  
And then  
We're never gonna stop

We're gonna make it  
We'll reach the top  
We're gonna make it  
And then  
We're never gonna stop  
Oh, oh, oh, oh, oh, oh, were gonna make it  
Gonna make it to the top  
Ain't gonna stop until we drop  
Ahhhhhhhhhh  
Drive hard boys

Ha, ha, ha, ha, ha, ha
