Here it comes, you're never gonna top it  
On a run, oh, no way you can stop it  
Total style, perfection in decay  
Running wild, flat out all the way

Now you can ride it high  
And you can light the way  
Lift up your hands in praise

You can't stop rock 'n' roll  
You can't stop rock 'n' roll  
You can't stop rock 'n' roll

Like a charging bull, it's a juggernaut  
With steam at full, you'll never to be caught  
Incarnate power, roaring from the sky  
While others cower, rock ain't gonna die

Now you can ride it high  
And you can light the way  
Well, lift up your hands in praise

You can't stop rock 'n' roll  
You can't stop rock 'n' roll  
You can't stop rock 'n' roll

It's an angry steed on a never ending course  
With grace and speed, it's an unrelenting force  
His head thrown back, defiantly proud  
Under constant attack, it's blasting fast and loud

Now you can ride it high  
And you can light the way  
Lift up your hands in praise

You can't stop rock 'n' roll  
You can't stop rock 'n' roll  
You can't stop rock 'n' roll

Can't stop, can you stop it?  
Can't stop, you can't stop it  
Can't stop, can you stop it?

Can't stop, you can't stop it

Can't stop, can you stop it?

Can't stop, you can't stop it

Can't stop, can you stop it?

Can't stop, you can't stop it
