Welcome to the abandoned land  
Come on in, child; Take my hand  
Here there's no work or play  
Only one bill to pay  
There's just five words to say  
As you go down, down, down

You're gonna Burn in Hell  
Oh, Burn in Hell

You can't believe all the things I've done wrong in my  
life  
Without even trying I've lived on the Edge of a Knife  
Well, I've played with fire, but I don't want to get myself  
burned  
To thyn known self be true, so I think that it's time for a  
change

Before I Burn in Hell  
Oh, Burn in Hell

Take a good look in your heart; Tell me what do you  
see ?  
It's black and it's dark, now is that how you want it to be  
?  
It's up to you; What you do will decide your own fate  
Make your choice now for tomorrow may be far too late

Hear no Evil, don't you  
See no Evil, don't you  
Lay no Evil down on me  
Speak no Evil, don't you  
Think no Evil don't you  
Play with Evil, 'cause I'm free.

And then you'll Burn in Hell

[REPEAT CHORUSFADE]
