Can't seem to show you
How much i care
Can't seem to prove it
You're so unaware
How much i need you
I try to show
I'm always with you
And i love you so
Believe me when i try to say
I'll never, never go away
Oh, can't you see

You're not alone
You're not alone
You're not alone
You're not alone
You're not alone
Baby you have me

The lonely hours
Of unspoken pain
Seems like a lifetime
Of endless rain
In my confusion
I never find
The words to tell you
That your in my mind
So, let me try to find a way
To do the things i want to say
Oh, can't you see

You're not alone
You're not alone
You're not alone
You're not alone
You're not alone
Baby you have me

My dream, my heart, my hope, my way
We'll stand together all our days
Oh, stay with me

You're not alone
You're not alone
You're not alone
You're not alone
You're not alone

You're not alone
No babe, no you're not alone
You're not alone
Oh, please believe me you
You're not alone
Well i say it again, you're not alone
You're not alone
No, no, no, no
You're not alone
You're not alone
You're not alone
I need you now
You're not alone
Oh, please
You now
You're not alone
Ahhhhhhh
You're not alone
