### "1St Day Out"

Visit "[1St Day Out](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(Jamie Madrox)

"I got another funky rhyme  
Another funky funky rhyme  
I got another funky rhyme  
Another funky rhyme another funky funky rhyme"  
(twice)

"Awwww shit!

Twizted!

This is my shit man!

They're finna remake the wicked shit!

Jamie spit man!"

(Jamie Madrox)

"Now they let the gates up so I bail  
Six shitty months pick me up from the county jail  
Smart ass mouth even though I paid my dues  
Chrome toilet, rolled blankets, and the rhombus shoes  
But I ain't naggin  
Here comes my people in the hoopty muffla draggin  
Ain't been in the hoop ride long  
And the two liter of Moon Mist is almost gone  
Nuts are kinda anxious to drop a load  
Told my man to hook me up with a chick that he know  
The bitch said muthafucker pick me up at three  
Can't bitch Santa don't ride your street  
We can meet around the corner at KFC  
You can take a cab and I'll pay the fee  
When she showed up damn, she was out of luck  
I forgot my wallet in the glovebox on my truck  
Put the tab for the cab and the dinner too  
With a knot in my sock, bitch i thought ya knew  
Dressed to impress chewin dyntene gum  
And I was drunk as fuck and smelled like an alley bum  
I'm chewin on my food like a carnivore  
Dumb bitch starin at me like and eyesore  
Then I plopped my face in the bowl of soup  
And slurped every last bit up through my missin tooth  
The bitch jumped up faster than a race  
And told me how to bow to her face  
So she pickin up the tab, ya know that I'ma go for mine

Got some shabille 54' vengeance wine  
And a steak well done and an order of shrimp  
Jamie Madrox playin the pimp...UHH  
Shes back now, and her hair ain't fixed  
Probably in the bathroom kickin back takin a shit  
But I ain't sayin nothin though  
I ain't sayin nothin bout the muthafuckin hoe  
What's up bitch? your ready to break, besides how long  
Can one fat bitch take? Quit snackin  
And pay this shit, so we can go to your crib  
And watch a horror flick, with ya daddy

"Your Employed?"  
"Uhhhhh shit, Naw"

(Jamie Madrox)  
Your daddy's pretty fresh sweetie pie  
I mean him, lettin me grip his ride  
Besides, he slipped me a fifty  
But the again I'm kinda shifty  
Now I wanna fuck so we headed to my house  
Fuck sittin with you parents on the couch  
Dad I got a bitch in my room and a smile  
Take your ass to the bar and don't come back for  
awhile  
A juggalo's known for smackin ho's  
But I need to bust nut so I switch to the mack mode

(Monoxide Child)  
Now Laurie, you know I love you  
So why don't you just let me fuck you  
Look bitch, I know you's a freak  
So let me get a little kiss on my cheek  
And I'll fuck to go hit that  
Come on nympho, and let me hit dat  
Tell ya what, ya let me stick it  
And I gotta left over piece of chicken for ya  
Ya little sewer skank

(Violent J)  
Ya nasty little pipe smokin MONEY HUNGRY BITCH!

(Monoxide Child)  
That's the shit J  
85 bucks an hour, you wanna play  
And that was that  
A little smooth talkin and she was on her back  
Ya never guess what  
My first day out, and I caught my nut

(Jamie Maddrox & Monoxide Child)  
First day out and I caught my nut (what)  
First day out and I caught my nut (what)

First day out and I caught my nut (what)  
Well shit bitch it's my first day out, and i caught my nut  
(4X)
