Hi! My name's Lisa  
I'm what some people call a sex addict  
I mean just because I like to have sex with alot of boys  
It doesn't make me a freak, ok?  
I mean, yeah I like to do a doggy style  
And suck cock and all that you know?  
I mean I usually just tell 'em  
Pull that muthafucka out and let me see it  
Get started...

Now let me introduce myself as the man  
Fuckin' every bitch in the world that says I can  
And I won't even play with bitches that don't fuck  
All I know, you could be a dud with your nuts clow  
And I don't need all the stress and all the games  
And all the callin' me names  
And your frontin' like your sayin, bitch  
You ain't shit but a hoe and the trickin'  
All your good for is hopefully fuckin' and suckin' dick  
Wanna blame it on my music?  
Well that will never happen  
Cuz I was fuckin' hoes like you before the rappin'  
Don't get me the slighter on that ass and buttcheeks  
And keep my dick the splashin' cum on bed sheets  
I'm a lunatic weirdo lookin' to the laid  
Any hookers here tonight is lookin' to get paid?  
Fuck that, I won't spend no nickle on no ass  
I don't even want no stankin' bitch, stankin' by my cash

[x2]

Bitch, I'mma cum outta' the pants  
I'm trying to figure out whether or not I'm getting that  
ass  
Your callin' me a freak sayin' I'm going too fast  
But if you dont fuck on the first date I'm leavin' that ass

Bitch with them big lips  
I'm a young nigga  
With crazy fuckin' my hems  
And I can make you do thangs your afraid to do  
And by the end of the night you want me to fuck you

Hey bitch that's a nice ass  
Let me see you strip down to flesh and show
