I wanna be batman cuz everybody really ain't shit to me  
My super hero picture me if I was, batman  
Studios and shows  
Utility belt with a compartment for the free rolls  
Smokin' bat bud off in the bad cave  
Jamie Madrox, (hidden message)  
Gotham don't look shit like detroit  
But I think these muthafuckas get the point  
Listen, word on the street  
About the arckon break  
Scarycrow, poison ivy, catwomen, two face  
All trying to kill me before the nightfall  
But I got a bat suprise for each one of all  
Scarycrow tryna front with me when I'm up in lakeside  
Flash the batta ray watch the bitch nigga die

Hold up  
I don't know what the fuck you talkin' about  
You ain't batman, fuck you  
I'm batman

I don't know who he was  
I met this muthafucka in the flea market  
He was sellin' 8-10 glossies with his autograph on  
I got the gloves  
I got the belt  
I got the boots  
What?  
Lemme walk in the closet for sec  
Help! Help!  
I got a bat dick  
Help! Help!  
You wanna see my dick bitch?  
Ahaha....
