Can't understand your shit, you fucking idiot
Fuck you just leave me alone today,
Fuck you just leave me alone today
Better watch your mouth, before I knock you out
Fuck you just leave me alone today,
Fuck you just leave me alone today
Fuck are you lookin' at, give you a fuckin' slap
Fuck you just leave me alone today,
Fuck you just leave me alone today
This aint no way to live, something has got to give
Fuck you just leave me alone today,
Fuck you just leave me alone today

Leave me be, let me fall asleep
I might be sufferin' from all this attention
My mind won't give it up
Now I might what the fuck see your world
See my world no connection

See me die for you, watch me cry for you
Fuck you just leave me alone today,
Fuck you just leave me alone today
This ain't no fuckin' style, just cuz you're in denial
Fuck you just leave me alone today,
Fuck you just leave me alone today
I'm no good for you, and you know it too
Fuck you just leave me alone today,
Fuck you just leave me alone today
I know I need some help, can't trust my inner self
Fuck you just leave me alone today,
Fuck you just leave me alone today

Leave me be, let me fall asleep
I might be sufferin' from all this attention
My mind won't give it up
Now I might what the fuck see your world
See my world no connection

Save your hater shit, for that other bitch
Fuck you just leave me alone today,
Fuck you just leave me alone today

I'm out of cigarettes, somethin' that you'll regret
Fuck you just leave me alone today,
Fuck you just leave me alone today
I don't care no more, what are we livin' for?
Fuck you just leave me alone today,
Fuck you just leave me alone today
Wrap me in cellophane, to me life's just a game
Fuck you just leave me alone today,
Fuck you just leave me alone today

Leave me be, let me fall asleep
I might be sufferin' from all this attention
My mind won't give it up
Now I might what the fuck see your world
See my world no connection
