Let me shave that pussy!

I should have knew she was a freak by the walked And
when I talked to her it was like she never got caught To
this day, she swear to God it wasn't shit Unless she
straight up just tripped and fell up on a fat dick I know I
been around the block a few times So I really didn't
mind that her mouth had some stretch lines She had
me thinking I'm a straight up Mack When in fact, I'm
just another who can hit it from the back And attack her
intestinal track and leave a puddle of spat Down the
middle of her pimpled ass crack And then smack, I had
to give that bitch a black eye Because the pussy just
don't feel right, don't know why I thought I was the shit
and had this all on lockdown Come to find out that my
girl's just a cockhound I couldn't deal with it, I had to
bail out quick Because that bitch just love sucking
strange dick

She said I'm the only one Said I'm the only one Said I'm
the only one Fuck You! She said I'm the only one Said
I'm the only one Said I'm the only one Fuck You!

What up young freaky freak tantalizing tender? Ain't
seen you in a week and you know I'm on the tether
Whatever. I'm free at 3:45, remember? I'll call you
around 8:00 and we can get together Damn, now this
bitch she should do a thing or two Grabbed my meat
and did the Electric Boogaloo Awww shit! What the fuck
she did? Had my nuts kick stepping and my wang did
the Jig That ain't shit, check it out homie Pull my wallet
out my pocket and check my I.D. For sure, just to make
sure it's me And I'm a Michigan an coming straight
from the D We dicked it up, we dicked it down I hit it
from the back, she gave me ridges around But fuck all
that, instead I have her a call....PAUL!?

She said I'm the only one Said I'm the only one Said I'm
the only one Fuck You! She said I'm the only one Said
I'm the only one Said I'm the only one Fuck You!

Son of a bitch This bitch got big old hickies on her neck
And dick on her breathe Trying to kiss me talking about
Hey boo What the fucks wrong with you? (Dumb Bitch!)
You could have brushed your teeth after licking his
balls You could have had the decency to give me a call
I was worried like a motherfucka hoping you was
straight While you was sucking and fucking some
strange trouser snake I thought I was the only python in
your thong, bitch That's the same pussy that I put my
fucking tongue onto it Exactly how long that this been
happening? You going to random men just for action
What am I? Some kind of dumb lame fuck? Or just
another dick in your butt? Say something Were you
trying to crush my heart just for fun? It was my fault for
thinking when I thought I was the only one

She said I'm the only one Said I'm the only one Said I'm
the only one Fuck You! She said I'm the only one Said
I'm the only one Said I'm the only one Fuck You!
