solo artist groups are:

Don't read it time to shut em down, turn another page
put em in the blind magazine, crusade kill em all, burn
em all, take em to the streets, another publisist dead
page 153 only credit was a cover, tag next months
issue read all about fallen bears dissen you heres a
story for that ass lotus ready to brawl bringin you blood
shock and awe bring it on.

You can't make or break me fuck MTV. I'ma
underground killa huntin VIP murderous me followin
Tom home with a 12 inch shank about to bloody the
chrome. I cut his throat so deep nearly cut off his head
13 wounds found in the chest of his kids and his wife...I
still got his wife she be suckin our dicks at the Pod as
we write.

Shock (stab em up) and awe (watch em fall) and then
back into the underworld we crawl (so fuck yall bitches)
Shock (stab em up) and awe (watch em fall) and then
back into the underworld we crawl (so fuck yall bitches)

I pull up strapin bombs at your tailgate parties rush
your gate with atleast 45 of my homies dissen out
pilerigs knockin out sound man, jump in your mosh pit
with my hatchet in hand OzzFest, Blood Fest, snow
corner more showin all these faggots all about
hardcore tiein hands with mic cords and burn down
your stage all this shit in all juggalos names

As soon as I walk in the door I set it off I slap Fred Durst
and the guy who plays "Ross" so tipped and just
rushed the stage and choked the shit outta Chris
Cornell for ruinin Rage lights go out mind doin again
and when they come back on i got my dick in Lil Kim I
pulled off the rubber and bitch slapped Danny Glover
now I swing on Ashton Kutcher and I bet I get the cover.

Shock (stab em up) and awe (watch em fall) and then
back into the underworld we crawl (so fuck yall bitches)

Fuck the radio and all the songs they play there playlist
are wack and there DJ's are gay. I ain't payin you shit to
play my song 5g's for rotation you know that's wrong
got to come off more money to air my shit gotta pay an
A&R to straight suck ya dick take ya to lunch get ya all
drunk N shit I'm like FUCK NAH fuck you N the
mainstream bitch.

I bomb on all you block parties what's that fuckin radio
friendly love songs that shit is wack all you candy
coated rappers you red cap wearers i got 7 slugs and
11 pallbearers the only block I know is a block for my
gat when I cock the hammer and pull the trigger back
erasing the top 10 spots and cut out cha hearts and
make you number 1 on the dead chart BIATCH.

Shock (stab em up) and awe (watch em fall) and then
back into the underworld we crawl (so fuck yall bitches)
