[Monoxide]

Now I'm smoking like a chimney
With the purple cush up in me
I'm really on cloud nine I got aliens sitting with me
So many seem to forget we will smoke until your eyes
get peeled
So every now and again we gotta remind ya about the
smoker deal
One, never smoke it brown and not if I don't break it
down
And three, if we ain't fucking don't be touching on my
thunder now
My mouth is getting dry and you see the veins in my
eyeballs
Looking like I just doused em in alcohol
I light a Newport I'm also addicted to menthol
And I'll be smoking till the coroner calls
And my plants are all tall and fluffy
And when I'm checking my buds
I swear to god I start to dance like puffy
I'm old school like a huffy and a set of roach clips
And if you notice when you looking
I get the resin on my lips
I put a halfy in a paper and you'll never see it drip
And I'll smoke it till it burns all the way down to my
fingertips

[Chorus]

I'm so high
And I'm never coming down, never coming down
I'm so high
Never ever gonna touch the ground (ground)
I'm so high
And I'm never coming down, never coming down
And I'm never gonna come back down

[Jamie Madrox]

I'm so twisted and smoking Jane gets me lifted
I sip hypnotic till my bladders full and I'm pissing
I only smoke bammer if it's carefully sifted
To avoid sticks and beans from splitting the seams

If it's weak smoke more
What you think them zig zag packs
Come packed with thirty two leaves inside for
If your lucky enough to be blowing gan
You better hit it like a pro and hold it as long as you can

[Lavel]

We get high like everyday
We smoke weed like everyday
We rather die then be dry
So don't play
So if you don't wanna smoke get the fuck out the way
We get high like everyday
We smoke weed like everyday
We rather die than be dry
So don't play
So if you don't wanna smoke get the fuck out the way

[Chorus]

I'm so high
And I'm never coming down, never coming down
I'm so high
Never ever gonna touch the ground (ground)
I'm so high
And I'm never coming down, never coming down
And I'm never gonna come back down

[Violent]]

I'm fucking doing good I can afford my habit
Seven hundred sack a cush watch me grab it
I'm a fool like that
Smoking in the parking lot outside a court
I'll get you higher than the airport
I know you trying to be a homie passing me that tree
But you fucking with professionals and rookies get beat
I fucking slap kids passing me the buster brown dust
I get insulted leave you with your crown bust
I fait piss tests and give a shit less
And youz a fool like a mutha fucka thinking you gonna
hit this
Back up off me softly you puke hitting mine
Even if you catch a contact it's your quittin' time
I'm riding with Madrox we smoking up mad blocks
Rattling your street leaving smelling like Woodstock
Get some hatchet in your life get some matches and
light up
A fucking plant with me, boy we family!

[Chorus]

I'm so high
And I'm never coming down, never coming down

I'm so high
Never ever gonna touch the ground (ground)
I'm so high
And I'm never coming down, never coming down
And I'm never gonna come back down
Never ever gonna touch the ground (ground)
I'm so high

I'm so high

I'm so high

And I'm never gonna come back down

[Outro]

(Hello)

Tina girl please tell me I'm awake cause I think I'm
dreaming

[Illegible]

Oh I think I met my soul mate at the pulse last night
honey

(What!!!)

He was adorable he was so drunk and so hot then I
gave him one of those little things

(Uh huh)

He danced for me in his drawers girl

[Illegible]

Well yea he's sleeping right now he took me home

(What!!!)

Wooo he freaked me girl

(Oh my god) [Illegible]

Yes yea oh he's gotta wake up and take me home soon
Cause girl I am starving and all he had in his fridge
was some cheese and dough nuts

And I finished that an hour ago so I'm gonna have to
wake him up

(You're gonna wake him up!!!!)

Ok I'll call you then

(K)

Bye girl

[Click]

[Creaking and groaning]

Honey boo you gotta get up, wake up honey you gotta
take me home.

(I smell some --)

You remember me right?

(Hey who the fuck is you?!)

(No you didn't! No you didn't!)

(Did you rape me?!?)

[Crying] You don't remember me!!!

(Wait a minute get outta my house!!)

(Are you a man? Wait a minute: What part of the game
is this man?)
