Shadows moving in the distance  
Time of judgment drawing near  
We must face the growing terror  
And we must face it without fear

From four corners it was written  
That the horseman would arrive  
Their goal to decimate the faithful  
And scorch the world with ancient fire

Some Other Time, Some Other Place  
Will we find all we've longed for or die in disgrace?  
Some Other Time, Some Other Place

Do you have your life in order?  
Just in case you don't survive  
Is our mission one of valor  
Or calculated suicide?

Some Other Time, Some Other Place  
Will we find all we've longed for or die in disgrace?  
Some Other Time, Some Other Place  
At the end of our lives will we accept death's embrace?  
Some Other Time, Some Other Place
