(feat. R.O.C. & ABK)

"Hello"

"Hey man I'm sorry to call you so late"

"Do you know what time it is right now?"

"I know it's three thirty in the morning man, but I-I just need to talk to somebody, I'm going crazy"

"Aight well talk, cause I'm fucking sleeping"

"Last night they came for me"

"Who, what?"

"They came to kill me man"

"Who, who came, wait a minute, who came to kill you?"

"The people in my dreams"

"W-wait man, you been smoking or something, I mean it's three thirty in the mornin?"

"I-I can't smoke man, I'll pass out if I smoke, I'm so tired I hadn't slept in so long. I think they're trying to kill me in my sleep."

I don't ever wanna sleep again,  
never ever wanna sleep again

[Monoxide Child:]

I know I'm running ya'll

Don't know what I'm running from

I hear it coming ya'll

But don't know where it's coming from

It's gonna get me now

Don't know how

But it'll get me

I think it bit me

Don't know how but it bit me

I hate sleeping, I'm afraid of the dark

I can't believe these fucking dreams

Would have me breathing so hard

It's like a panic attack

And my hands get all tingly

But they said I'd be alright

If I took my lil' blue thingies

Can't wake up, end up closing my eyes

Can't shake it cause the demon wants to keep me

inside  
I'm on the high rise building  
And I'm ready to jump  
without a parachute  
So I hit the ground like a pistol grip  
Pump on my lap at all times  
Right well this motherfucker took it  
And shot me in broad day light  
Now I'm laying in the EMS  
I got all kinda wires hanging off of my chest  
And this beep keeps beeping so I know I'm alive  
It's my alarm clock tripping  
It's a quarter to five (Quarter to five)

[Chorus:]

Why are you sleeping? (Wake the fuck up!!)  
Are you still dreaming? (Wake the fuck up!!)  
Why are you sleeping? (Wake the fuck up!!)  
I don't never wanna sleep again (Wake the fuck up!!)  
Are you still dreaming? (Wake the fuck up!!)  
Never ever wanna sleep again (Wake the fuck up!!)

[Anybody Killa:]

Wake the fuck up  
Bad dreams too scary  
Darker then the night sky, body being carried  
When I awake I'm gonna tear somebody up  
Cause when I'm swinging in my sleep  
It's like it's never strong enough  
Pull the sheet tight over my head  
Toss and turn till the morning eyes bloodshot red  
Dozing off in the day hardly catching a Z's  
Wake the fuck up in my head like a disease  
Somebody sing me a lullaby  
Chase away all these evil cries  
Please don't lay me down to sleep  
Cause behind my eyes is something deep  
One of these days I may never awake  
Whole body eyes closed staring at pearly gates  
Looking for a second chance to dance with the dead  
Underground living with the moon for a friend  
Never knowing how it's all gone in  
Room full of entities and my sleep again

[Chorus:]

Why are you sleeping? (Wake the fuck up!!)  
Are you still dreaming? (Wake the fuck up!!)  
Why are you sleeping? (Wake the fuck up!!)  
I don't never wanna sleep again (Wake the fuck up!!)  
Are you still dreaming? (Wake the fuck up!!)  
Never ever wanna sleep again (Wake the fuck up!!)

[The R.O.C.:]

I can't wake there's no pulse  
I can't reach the door  
Who's wait just please shake me till I'm up for  
The rest of the night I'm in and out of this dream  
I'm tossing, turning, screaming  
Cause it's changing the scene on me again  
Sweat pours from my pores  
And I'm drowning life preservers finally got me  
Death's a mountain  
And I'm dropped knee high in a pillow of darkness  
I need a search light, please don't stop this

[Jamie Madrox:]

I was dreaming when I wrote this  
I don't remember much  
A little drugs, few women  
Vampires and such  
Hot sex in a tub of blood  
Feel the heat,  
but fuck quietly  
Vampires are asleep  
Like walking on a tight rope trying to cum  
I was fucking so long had my dick all numb  
Then I pushed and pushed until I started to bust  
Then I awoke butt-naked in front of the tour bus

[Chorus: x2]

Why are you sleeping? (Wake the fuck up!)  
Are you still dreaming? (Wake the fuck up!)  
Why are you sleeping? (Wake the fuck up!)  
I don't never wanna sleep again (Wake the fuck up!)  
Are you still dreaming? (Wake the fuck up!)  
Never ever wanna sleep again (Wake the fuck up!)
