I must have rehearsed my lines  
A thousand times until I had them memorized  
But when I get up the nerve to tell you the words  
That never seem to come out right

Oh, if only you knew  
How much I do, do love you  
Oh, if only you knew  
How much I do, do need you, baby

I dream of moments we share  
But you're not there, I'm living in a fantasy  
But you don't even suspect, could probably care less  
About the changes I been going through

If only you knew  
How much I do, do love you  
Oh, if only you knew  
How much I do, do need you, play on

No, you don't even suspect  
Could probably care less  
About the changes  
I been going through

If only you knew  
How much I do, do love you  
Oh, if only you knew  
How much I do, do need you, baby

Oh, if, if, oh, you don't know  
How much, you don't know  
I said, you don't know  
How much I need you, sugar

Only if you knew, how much I do  
I love you, baby, only, only if you knew  
How much I do, I love you, baby  
I need you, baby
