When the ice sings her lullaby
When seeds are spread
Blue sky is inside
Only once I sensed the spring

Living memories
Like yesterday
In sunshine they belong
Not in frozen minds
(not in frozen minds
Should they exist)

I can't hide
Surroundings of darkest light
The claws of the past
Appear in every shadow
Emptiness
In my veins, in my heart, in the air!
I sacrificed all
Could I bare it again?
Belief in faith was near,
But then there were flames and I feared
Again

The failed procedure
Rests in me
Peace
I won't find
Before I see you smiling again
I won't sleep
Before I see you smiling

The notes of your story
Are written in me
Peace

I won't find
Before I hear the tunes again
I won't sleep
Before I hear your melody
