[Verse 1:]

A rare silence you can't pay
The wishes, they are safe
In my box of treasure
But you smelled my life!
The warmth is sparkling inside
The luckiest miserable eyes I have seen
They shine through mountains so high

[Chorus:]

I weep, I fall!
'cause I have seen the light
One blink and I'm done
Those caresses with your eyes

Your eyes (Your eyes... Your eyes... Your eyes...)

[Verse 2:]

No religion can describe
No feelings meant to hide
Surroundings raised by whispering fields
Over broken skills
Enchantment's lurking over the hills
The power of bonds will succeed

[Repeat Chorus] [x2]

[Verse 3:]

My rose is blooming and sending her scent
To you my wanting one
My restless aura is touching you
From a hundred miles away
A silence you can't pay
