Yeah, Yeah, Yeah, Yeah, Yeah Here we go
I will build for you an alter
I will bring my sacrifice I'll worship you cause you've
been so good
(oooo)I will give you all the praise
I will bless your holy name
I'll worship you cause you been so good(oooo)
You shed your blood for me
I was guilty but now I'm free
all because of you cause you've been so good
Now i walk in liberty and sin has no control of me
i will tell the world that you been so good

Chorus

Say you've been good, good, good
The God we serve has been good
He's been good, so good,
The god we serve has been good

I've done nothing to deserve your blessings
Sometimes i do more wrong than right but you remain
the same
Lord you've been so good (oooo)
and you are forever faithful
even though i stray, you promise you will never leave
you've been so good (oooo)
Many times I should have been dead
but you gave me mercy instead
Halleluh you ve been so good

And I dont know why you even love me
I can't figure out why you care so much
Hey yove been good

Chorus

I cant explain your love
(Its so incredible)
I cant explain your peace
(Beyond my understanding)
I cant explain your joy
(its so unspeakable)

i can't explain your grace
(Your grace so amazing lord)
