Look up (repeat x8)

[Verse 1:]

Pressure everyday [G.A.: Look]  
Feels like it's never goin away  
But still somehow in the back of my head  
I hear it's gonna be okay [G.A.: Look.]  
It gets so hard  
Tryna make it through life  
It seems true happiness is no where in sight  
Try to handle all my problems myself  
But I know I need some help [G.A.: Look.]  
You see my heart gets heavy  
I cry so much I feel like I'm crazy  
And everything that could go wrong  
Does all at one time  
Tell me when will I see the sunshine [G.A.: Look]  
That's when I heard a promise to me  
God will supply all of my needs  
I belive every word is true so I know what I got to do

[CHORUS:]

G.A.:look up!  
Tye:god will come through but now you gotta...  
G.A.:look up!  
Tye:I know it's been rough but hey you gotta...  
G.A.:look up!  
Chanel: with tears in your eyes just look to the sky  
Chanel & Tye: you'll find out that he was there all the  
time ohh oohh  
Tye: I know it's been rough but hey you gotta  
G.A.: look up!  
Tye: it's all up to you look to the father  
G.A.:look up

you'll find out Jesus is real  
Group:OOOHH

Lead verse:

Temptation is always around  
Seems like the right choice can neva be found  
But then the wrong thing

I can easily see cuz it's right in front of meee! [G.A.:  
Look]  
I try to ignore  
What's goin on in my mind  
I see a lot of doors  
But wheres the exit sign  
I can't keep on  
Somethings gotta give this is no way for me to live  
[G.A.: Look]  
I get so frustrated  
Sometimes the very things I do I hate it  
Sick of falling for every trap that's set for me  
It's time for me to have the victory [G.A.: Look]  
But I found my answer in the word  
With every temptation there's a way of escape  
And I believe every word is true so I know what I gotta  
do

CHORUS:

G.A.:look up!  
Tye:god will come through but now you gotta...  
G.A.: look up!  
Tye:I know it's been rough but hey you gotta...  
Lead: with tears in your eyes just look to the sky

Who sees nothing but problems  
To the left of you to the right of you
