[Tye Lead:]

I can't believe this  
I'm not suppose to living like this  
Thought it was fun  
Thought I could do what I want  
And I thought I was grown  
And could make it on my own  
I thought no one really understands me  
And even though I'm home  
I feel so alone  
I thought do what you feel like doing  
No one cares anyway  
Maybe then someone will notice you

[G.A. & Tye]

Now how I ended up where I am  
I don't know  
I never planned on being here  
The devil tempted me  
And I was drawn away  
But I have no desire to stay, oh

[Chorus:]

Got to get out of here [Tye: I'm coming home father]  
I got to get out of here [Tye: Hey! ]  
I wanna be with you

[Tye:]

I can't believe what I got myself into  
Thought I had everything under control  
I didn't realize the whole time  
That the enemy had plans to destroy my life  
Father please wont you have mercy on me  
Please forgive me and restore your joy  
I can't imagine staying here till I die  
I gotta get back to your side  
&Now; I realize

[G.A.]

The devil tempted me  
And I was drawn away [Tye: I was drawn away]  
But I have no desire to stay, oh

[Chorus:]  
Got to get out of here [Tye:Yea]  
I got to get out of here [Tye: I wanna be wit chu]  
I wanna be with you [x5]

[Tye: in thee mist of the chorus:]  
Father I know I messed up  
But I'm asking you to please take me back  
Whoo, I'll repent father  
Yea!, I'm coming home  
I wanna be with you Jesus  
Anybody wanna be with the lord?  
Yea!, here we go say "I!"  
Oh!  
Hey!, Yea!  
Please take me back [x3]  
I'm sick of the storm, "I"  
Please!  
I'm sick of my old ways  
I wanna be with chu  
Take me back Lord  
I'm ready for change  
Yea!, I got to get out  
Pleeeaaassse!  
Hey, anybody going back tot he fathers house with me?  
Come on and go with me [x3]  
Let's Go!  
He'll take us back I know  
He's faithful Ya'll come on!  
Anybody wanna go back to the fathers house?  
You kno you left his presence  
And now things aint working in your favor... [Fade out]
