No way I can make it without you
No way
I can't even sing my song
No way
I wouldn't know right from wrong
No way
I can't even comb my hair
No way
I can't even look or stare
No way
I can't even walk my walk
No way
I can't even talk my talk
No way
Everybody say no way
No way
I can't even dance my groove
No way
I couldn't even think or move
No way
I couldn't even stomp my feet
No way
I can't even brush my teeth
No way
I just can't make it without you
No way
I can't even tie my shoes
No way
I would be so confused
No way
I can't even clap my hands
No way
I can't even dance my dance
No way
I just can't make it without you
I can't even tell the time
No way
I can't even press rewind
No yeah
No way
I can't even drive my car
No way

No way I can make it without you
