No, its not easy trying to live in this crazy world
No, No, its not getting any better, only getting worst
No, I can't take it, I can't bear it by myself
No, No I can't make it without you, Lord I need your
help!

It's a struggle cause I wanna please you gotta bow my
head gotta bend my knees too. Help me I don't know
what else to do

Chorus:

I slip and stumble sometimes, it's a struggle
sometimes, but please Lord help me to stay true, I feel
alone at times, can't stand the storm at time, But
Please Lord Help me to stay true.
Now I am depending on you.

Fellas:

Now, it's so easy, to make my money the wrong way,
and have all the girls say Hey!!!! But I ain't trying to go
that way, so everyday I pray, Lord keep me so I won't
lose sight, the devil always putting up a fight, cause
he knows that I am trying to live right.

Ladies: Now its so easy, to dress up and I look real
nice, and act like everything is fine, and go back home
and just cry, Oh Lord I am hurting, I need your strenght
and your might, I am sick of the devil trying fight, I ain't
got no business crying every night.

It's a struggle cause I wanna please you gotta bow my
head gotta bend my knees too. Help me cause I don't
know what else to do.

Chorus: I slip and stumble sometimes, it's a struggle
sometimes, but please Lord help me to stay true, I feel
alone at times, can't stand the storm at time, But
Please Lord Help me to stay true. Now I am depending
on you.

Vamp:

Glad that I got help, Not in this life myself
