"Still Have Joy"

After all that I've been
Through I still have joy
1, 2, 3

Though he slay me yet will I trust him
Though he slay me I'll trust in the lord
Though talked about and misunderstood
Yes I've been lied on but still have my joy

Weeping may endure for a night
But I'm glad that I still have joy

After all that I've been through
I still have joy

Oh oh oh
This joy I have the world didn't give it
This joy I have the world can't take it away

After all that I've been through
I still have joy

After all that I've been through
I still have my joy
I still have joy still have joy
