You have to climb the top
go on, don't give up
it never seems to end

It's controlling me
this ain't what I want to be
save me from this mess

To dance all the night in the midnight sun
that is my dream
the drops lick my skin
I dance with the wind
it blows me away

Du ser hu som danse i skogen
me lette skritt
me lokkane ÆfÆfÆ,Æ,yne
hu strekke ud hÆfÆfÆ,ÆnnÆfÆfÆ,Æ
men du nÆfÆfÆ,Ær an ikje
Du ser hu
hu strekke ud hÆfÆfÆ,ÆnnÆfÆfÆ,Æ
men du nÆfÆfÆ,Ær an ikje
ÆfÆfÆ,Æ dansa i midnattsol
de e min drÆfÆfÆ,Æ,m

To dance all the night in the midnight sun
that is my dream
the drops lick my skin
I dance with the wind
it blows me away

[The norwegian part in this song tells of a girl dancing
in the woods.
She gives you her hand, but you can't reach it.]
