Dial up seven digits
Car stripper, trife livin
Show you what I'm paid but you won't get it
Already spent it, hundred thou ? 16 ?
Make you feel like the richest No! (niggas)
What happen when them cloths won't fit ya
And everybody asking for pictures, onto the next
One fan say ya sick man others say my shit weak
I do not sweat them, I am but a risk, band
Young money mulligan play gulf on ya head
Swing swing like lesbians and a man
Don't wanna share his wife but we already did (bitch)
Ghetto fly nigga form his ship
Its like amistad all black when we dip ah
Car with with rims ah don't matter what we in cuz we
already in forever
The end chivalry I good night this shit
Goodbye to the flaw say hello to you God
Readin the choir overseas ummm....
Such a globe traveler, farchulin while you where at
home
I was busy ordering steaks threw the phone like
medium rare, no wait well done
Don't care if you won
Tyga I am the one

(Chorus)

This is why I'm ill 09 until
This is why I'm ill 09 until
This is why I'm ill 09 until

Forever y'all
This is why I'm ill 09 until
This is why I'm ill 09 until
This is why I'm ill 09 until
Forever y'all

I really kick flow
I really been broke
Look at me now doe everynight another show
What are those doe
Glow in the dark shoes

How you get those
Wish I really knew
Like mario, my city red and blue
Born from L.A. eat roscoes
Lucy tacos knew some vatos
Tat tata tat ink like kinkos
I put a dollar in the pot watch the pot grow
I pop up with the heat like hot toast
You would recycle if you see what I knew
So keep your eyes closed and lower your IQ
I feel like two, they can judge me but there's no gaffle
and stool
Only gospel can save you good music immune
I'm ill sick my lyrics like pew

(Chorus)
