"Be Quiet"

(with Soulja Boy)

[Soulja Boy Verse]

wuz goin on these niggaz out here wildin
They Don't want won't beef, better run to police.
Better yet man you better keep quiet.
iguana seats inside it, I'm flying on auto pilot
Deep in these streets, spittin crack on these beats.
But the word on the street is keep quiet.
Me and my nigga tyga, patron got us wildin
Stereophone cup, throwing money in my clubs, oh you
mad becuz I'm stylin.
Crush diamonds on my amuelet
Its lookin like a slush hoe.
Niggaz meaning muggin, better keep that shit on hush
mode.
25 Kush blunts, I call dat shit a quarter
Took her to my crib and make her strip like fishburne
daughter
I swag to hard too I do it like no other
runnin round talkin tellin keep that undercover

[Hook]

Jewelry too loud man I need to be quiet.
What's that on my wrist? I told that bitch to be quiet.
Gone on patron man I swear it got me wildin'
If he know like I know tell that nigga be quiet.

[Tyga Hook]

Uhh.Jewelry to loud motherfucka its a siren.
Big fuckin dogs you can hear my wolves hollerin'.
On this patron man I got these bitches wildin'.
If he know like I know tell that nigga be quiet.

[Tyga]

Ugh. Well its that big woolly monster pull up,
pull up on your bumper mothafucka pull your mother
slum dog million, hold up.
