Bitch better have my money, money money bitch
Bitch better have my money, money money bitch
Bitch better have my money, money money bitch

Bitch better have my money, money
Bring back a hundred take 20, 20
20 more minutes then I'm coming
I could fuck you longer but bitch I'm in a hurry
Hurry up, Husain Bolt to the money
Swear I'm the shit, everybody fly around me
Rap like hustling, you hustling wit dummies
I got a big ego, bitch don't touch me
Fuck her for some money, fucking at the country
Pistol with the homeys, you are home lonely
Call it Macaulay, talking white boobies
Fuck the fuck the police
These niggas know the know me
50 for the rollie, niggas ain't brodies
Hoes got him tripping, cuffing like cufflings
Don't know where her tongue be
Was it in the fuckin sink
I don't care what the bitch thing
I just know one thing

Bitch better have my money, bitch

Bitch better have my money, bitch
Bitch better have my money, bitch
Bitch better have my money, bitch X 2

Bitch better have my money, if a bitch don't tell her
bounce like a bunny
I don't give a fuck what that bitch's talking
She ain't got the cash tell that bitch get to walking
I ain't sleep shit think about them dollars
Pop a pill, pop a nigga, pop my collar
I'm popping like a tic tac bitch you better get back
Funny looking bitch, who you been fucking, Sinbad?

I did that, do all, go big, never small
Got a crib with a closet you would think you at the mall
And her mouth like holes and her jaws like wisdom

teeth you hear da beat I bet dey gone blame dis on the
middle east, I been a freak
9th grade I was fucking in the bathroom
I was fucking at school like my house didn't have
rooms
My best friend is named Benjamin, Frank
So bitch better have my cash

Bitch better have my money, bitch

Bitch better have my money, bitch
Bitch better have my money, bitch
Bitch better have my money, bitch X 2
I'm so high

Man this bitch better have my money, this bitch so
smart
She's nothing but a dummy
Bitch better have my mula, fuckin round a real nigga
and a
Shooter
Low dust bag bitch, make a nigger rich
Shut the fuck up and jump on his dick
Nothing but a motherfucking skank
Fuck what you talking bout and fuck what you think
I need money, I need it real fast
I need it real bad like white girls need ass
Maybe you can help me, break this dub
20 motherfucking rats up in the club
Club, up up in the front
That's why I sent the bitch to get at each one
Super top rank, treat her like a bank
I don't give a fuck what the bitch think
Bitch I'm just saying

Bitch better have my money, bitch
Bitch better have my money, bitch
Bitch better have my money, bitch
Bitch better have my money, bitch X 2
