Uh, just bought a condo downtown, high as f-ck  
27th, floor all the b-tches down to f-ck  
Big donkey butt, Ciroc coconut  
Big gulps, drink it all like a Slurpee cup  
Brain freeze, ice like a hockey puck  
London town, Westwood, what the f-ck is up?  
Just checked my account, another hundred thou'  
N-ggas sendin' me money like I'm PayPal  
Wait pal, pow pow, 40 cal  
Smith N Wessun, make a wrestler whistle loud  
I'm in the grocery store, can't even walk the aisles  
Ya girls see me, nah, I'm takin' pictures with a smile  
Sunlight reflectin' off my gold skin  
Last King killing everything you dressin' in  
Blacks, Mexicans say, when your shit goin drop?  
I tell em, Careless World probly goin' make the world  
stop  
Vibrate your soul, make your p-ssy pop  
Presidential suite, tip the bell hop  
I speak a language, your money like a C-note  
Spitting my phlegm on pictures birds and eagles  
I'm on a mission to Mars, Don Cheadle  
I'm a legend to ya'll ordinary people  
From Hollywood to Cerritos  
The black beatles, and I aint even got a single  
And living single

All my diamonds seem clear  
Louie trunks in my living room b-tches stare  
Who is this young? how'd he manage to make it here  
The future is ours, robotic sports car  
Paid for, therefore, beach chair just chillin'  
I don't eat pork and I've never tried chillins  
Its hard living in hell, why should demons avail?  
Turn into a human shell  
Hate you 'cause they hate themselves  
Haah, blood thinner, poppin' pills to stay balanced  
On or off the road, everydays a challenge  
I need a studio, book me room A achalice?  
I gotta go its gettin' late and I aint got my license  
Cop pull me over and shit, asking why I was driving  
reckless

I told I'm I was a rapper, look at my watch  
Sstill gave me a ticket though

Black thoughts in my eyes got me hypnotized  
Black thoughts in my eyes got me hypnotized  
Black thoughts in my eyes got me hypnotized  
Open your mind  
Black thoughts in my eyes got me hypnotized  
Black thoughts in my eyes got me hypnotized  
Black thoughts in my eyes got me hypnotized  
Open your mind
