T Y G A

Zippin', dippin' jabs super fast in a flash  
It's Tygaman, Tygaman  
Tatted up on my mask, superhero for the cash  
It's Tygaman, Tygaman

My life is, my life is like a cartoon y'all  
More crazier than, shh, you ever saw  
I fume to the left and fume to the right and  
Then I'm g-g-gone

Meet me, the Looney Tune 17 from the CPT  
Ed, Edd 'n' Eddy couldn't beat me in more D's  
Roll 22's on the whip, they call them  
Fantastic Fours and shh, whoa I'm sick

Introducing, Billy the Kid  
Space jammin' with Banana's In Pajamas  
No homo, excuse my manners  
I go from Hulk to David Banner

Land of bandannas  
They Yosemite Sam ya, ya Fugazi like  
Two Stupid Dogs' talkin' as they walkin'  
I couldn't believe that, shh, oops I almost slipped

Porkey Pig dollar bills  
Plus Tweety Bird sits on my wrist  
Man, warning, you'll get booked like Orbitz  
Your corpses will be with Yogi in the forest

Quick reminder on short notice  
I got the swag potion  
Take a sip until you're no longer sober

My life is, my life is like a cartoon y'all  
More crazier than shh you ever saw  
I fume to the left and fume to the right and  
Then I'm g-g-gone

My life is, my life is like a cartoon y'all

More crazier than shh you ever saw  
I voom to the left and voom to the right and  
Then I'm g-g-gone

Stand down, we have a man down  
I, Tasmanian devil in my bezel  
The ice so heavy Bam Bam couldn't lift my pebbles  
The Flintstones say the stones make you flint as you  
stare in it

Ridiculous bright with a little glare in it  
The light beams off it like The Power Puff Girls who  
stare at it  
My spaceship come equipped with a Jetson engine  
To the milky way I'm dippin'

Bravo Johnny says, we're space pimpin'  
With the huh, huh, ha, I always get 'em  
The grill lookin' Ojish but not Simpson  
I'm more like blue and yellow mixed, Marge Simpson

You lil' countin' chickens  
Scooby Doo can't even figure out what Tyga's missin'  
Maybe nothin', there's gotta be something  
To rap, he's like carrots to Bugs Bunny  
With cash I'm the Energizer Bunny, long money

My life is, my life is like a cartoon y'all  
More crazier than shh you ever saw  
I fume to the left and fume to the right and  
Then I'm g-g-gone

My life is, my life is like a cartoon y'all  
More crazier than shh you ever saw  
I voom to the left and voom to the right and  
Then I'm g-g-gone

Zippin', dippin' jabs super fast in a flash  
It's Tygaman, Tygaman  
Tatted up on my mask, superhero for the cash  
It's Tygaman, Tygaman
