Aha, Fuck is this? Soun-Sounds like the industry.  
You know, people don't understand, how you get to this  
point . So , I think I should tell them before cause right  
now after , and you know this morning , I woke up in my  
Polo sheets , throw on my Gucci slip ons , brushed my  
teeth , hopped in the benz and came right to the studio

But ima tell you the story

Ahhh

Came in the game oh five i sing, God gotta pass, stage  
name on my chain, Switching lanes passing out mix  
tapes in the rain lord dont wanna wake up hungry  
again, Ran into a hero he knew, Now im infront of 30  
thousand people, Feeling like the beetles flyin through  
cities in ????? i aint never seen tour before, Wish my  
friends could see through there own E Y E's this life  
people just wont believe i gettin used to things but  
damn its gone right back home, mann

(huh i dont understand it was like they tease me with it  
you'know and i just wanna stay out there and be a star  
but sometimes i just feel like this shit just aint ment for  
me or it aint gone work so i dont know sometimes i just  
feel like giving up but i love this game so much so ima  
keep go)

Go go gadget gucci just gotta have it so i keep griding  
cant be average, haters poiting at me laughin at me its  
in my reach but i just cant grab it, as we speak gotta a  
call bout the VMA's next day on the plane (B-Better new  
wing?) young money on stage comercial break  
interviewers say im the new wayne, im just tyga man  
with good management baby work your heart gettin the  
board to perform an every body show, hello stars

(it feels so great this moment i just.. i feel like shedding  
a tear cause im finally hear, all the things i went to to  
get to this point they showin love but its like they still  
hatin! you'know i guess there only one thing left to do,  
just gotta gain my)

Respect mo'fucker next mo'fuckers R E S P E C T get it

like a reef hi y'all hatin on me i made half a million  
independantly, bitch!  
i see G E D swings, corprate people notice me pop the  
cork bottles free supermodel ruby rings i spoil me,  
Your just babies

(Oh now you mad cuz im.. finally here i tried to tell you  
in the beggining but you just would listen now the  
songs almost over, now you made but you still hatin but  
you love it its just the industry im just a souvinir in the  
circus you'know ahh GED young money)
