Blam-blam with them Ninas  
Turn up like Tina  
T-Raww in my speakers  
She play with my balls like Venus  
Cool nigga with a heater  
Hot shots of tequila  
I can make you a star  
Put you in my features  
Said I don't take no breaks  
So all my money be even  
I don't shop at IKEA  
Got a beach house for the weekend  
My bitch bad, that's an understatement  
Got a porno, might leak it  
I Hail Mary to the deep end  
I charge the pussy like defense  
Crazy motherfucker  
How you in that Benz and you ain't got cake?  
Better use your legs, do what a pimp say  
Even when I'm out of state, gotta keep 'em in  
they place  
I be like 'pimpin', ma' fucka'  
Walk a day in my shadow, bet you won't last  
'Cause a nigga move fast, gotta get that cash  
Riding in a Cadillac with a big 'ol ass

Don't hate the player, 'cause your bitch chose  
me  
Gettin' super high, tryna stay low-key  
Suicide my doors, Suicide my doors,  
Bad bitch of the year, you should win an award  
I say don't hate the player, 'cause your bitch  
chose me  
Gettin' super high, tryna stay low-key  
Suicide my doors, Suicide my doors,  
Bad bitch of the year, you should win an award

I'm throwed again, I'm throwed again, I'm  
sippin' lean  
Got one gift, call her one gift  
'Cause she open up like Christmas Eve

Sheâ€™s doinâ€™ dome, thatâ€™s double-dâ€™s  
I play chess on them double-dâ€™s  
Hennessy, thatâ€™s my drink  
You donâ€™t drink? Thatâ€™s more for me (more for  
me)  
Tell me when you see a nigga this fly, donâ€™t lie  
Got a chauffeur â€™ cause the nigga donâ€™t drive  
Tryna drink drive time on my lifetime (pass that loud)  
Big beast and a nigga gonâ€™ feast  
And I got a new chick, and I told her â€œbe easyâ€  
Runninâ€™ through a hundred racks, nigga, thatâ€™s  
easy  
Itâ€™s too easy â€ believe me

Donâ€™t hate the player, â€™ cause your bitch chose  
me  
Gettinâ€™ super high, tryna stay low-key  
Suicide my doors, Suicide my doors,  
Bad bitch of the year, you should win an award  
I say donâ€™t hate the player, â€™ cause your bitch  
chose me  
Gettinâ€™ super high, tryna stay low-key  
Suicide my doors, Suicide my doors,  
Bad bitch of the year, you should win an award

I must applaud, girl, you do it real well  
Do it real well, do it, do it real well  
Applaud that ass â€™ cause you clap it real well  
Clap it real well, clap it, clap it real well  
I love the way that she do it  
Clap it real well  
I love the way that she do it  
Clap it, clap it real well  
I love the way that she do it  
Clap it, clap it real well  
So go on, let me see you do it  
Clap it, clap it real well

Donâ€™t hate the player, â€™ cause your bitch chose  
me  
Gettinâ€™ super high, tryna stay low-key  
Suicide my doors, Suicide my doors,  
Bad bitch of the year, you should win an award  
I say donâ€™t hate the player, â€™ cause your bitch  
chose me  
Gettinâ€™ super high, tryna stay low-key  
Suicide my doors, Suicide my doors,  
Bad bitch of the year, you should win an award
