[Intro:]

Have it, you really gotta have it!

Uh, getting money is a habit
Nice cars at the crib, gotta have it
Uh, and this is something for your bad bitch
One time Iâ€™mma show you how to get rich!
Uh, getting money is a habit
Nice cars at the crib, gotta have it

Huh, I ainâ€™t fucking with no plane Janes
Getting head on the plane, call it head space
Uh, need legs space, making me shake
She will twerk it all night, she will need a break!
Uh, gotâ€™... the big bang

T frog game, nigga last king
Nigga hating cause Iâ€™m balling, telling more shame
Rack city, triple ex to the mill, baby
Used to be balling, now Iâ€™m Bill Gating.
Hater shot bitch cause Iâ€™m inpatient
Live your life like a king and itâ€™s so amazing!
