[Tyga:]

I ain't never been cheap

I spend it all

Never made Varsity but I fucking ball

14 fuck school I'm a rapper dawg

Snap back boy take that fucking fitted off

Fall to they knees plead for their right to breath

Lord please devour all my enemies

That was Pac talking Bitch now back up off me

I'm that yellow gold boss and you looking bossy

Walk the water if I could bitch I think I'm Moses

Tell em shut the fuck up with that comotion

I'm counting money get enough, get a promotion

I sizzling up, hotter than a bowl of momma porridge

Whole body covered in green like Dinosaur

Gimme neck, baby bend all your spinal chords

Uh uh, [?] ass goofy

Tryna blend in like a motherfucking smoker

Take a seat you fucking up the movie

I'm on the couch standing while you staring at the
movement

Young Money bitch I do this

Hand in my mind both sides one lie two crimes

Otherside don't fire

Fully dazed like a dream I ain't moving bitch

We grooving [?]

Fully trippin I could prove it

Switch blade where my boot is

All that sweet talk leave a nigga toothless

Now you goofy

I'm an asshole and my car dufus

Mikey rock chucks like the cool kids

Bitch it's so dangerous

Haters envy me cause they angry

So you want that beef

Than the bitch I'm arranging it

More famous than these no name niggas

That you hanging with

All my homies on like the cable is

Say seiko watch TV Tyga psycho

Don't play tyco, 50 tyson I'll bite you

No license still driving
Used to lease it now I buy it
Hard cash blood diamonds
Niggas violent baby's crying
Mr Niceguy
Come sell the product
I'm a a niceguy
But I never went to college
Can't live long in imagination
Don't compare me to no basic bitch
I'm better stop debating motherfucka
Motherfucka
(Well done)
