[Chorus:]

I've Been Grniding Since The Day On
Now I'm Over But My Mama Don't Think So
Don't Think So
My Heart Big Better Beat Slow
Can't Trust Everybody You Meet Yo
That You Can't Meet Yo
I Trap This Smile Whole Life
For You To Take It I Don't Think So
I Don't Think So
See That You Ain't Right
Trying To Take My Ride I Don't So
I Don't Think So
I Don't Think So
I Don't Think So
Naw I Don't Think So
I Don't Think So
I Don't Think So
I Don't Think So
Naw I Don't Think So
I Don't Think So

[Verse 1:]

Some Say I'm So Arrogant
Talking About Every Girl And The Old Ones I Hit
Look Miss Whoever Told You This Ain't Him Dismiss
No Time For You Small Mind Midgits
No Offence To Them But Giantess
What's I'm Looking Like From Short Distance
Prolific Write Or Touch The Paper Averageless
Nigga You Heiriness
Nigga Intentive In Attendance
Listen Checklist Before The Guestlist
More Trying To Enter But Won't Exit
Cause I'm Winexus
Every Grandkid Expect Us
Tyga For They Breakfast
Now They Want Seconds
They Won't Wait A second
Let Me Program
She Obsessed With My Stylish Ass
Just Sit Back And I Laugh

All These Clowns Trying To Pay With My Cash
Something Never Had
But Me

[Chorus:]

I've Been Grniding Since The Day On
Now I'm Over But My Mama Don't Think So
Don't Think So
My Heart Big Better Beat Slow
Can't Trust Everybody You Meet Yo
That You Can't Meet Yo
I Trap This Smile Whole Life
For You To Take It I Don't Think So
I Don't Think So
See That You Ain't Right
Trying To Take My Ride I Don't So
I Don't Think So

[Verse 2:]

So What's Up Is You Down?
With Us Of Course I'm Just On My What If
Other Shit Id Be Getting Without This
I Don't Need All These People
So I Love With My Eagle
Where MVPblo Can't See You
Even If I try To Those Right Beside You
Could Be Your Misguidance For Now I Say Goodbye Boo
Maybe Later Down The Line We Could Be Cool
Vibe Like The Magazine Do A Movie Or Two
Review My Latest News Interviews You Too
Like How Many Views? You Sold Just Like Me
Between Worlds It's A Lighting
How You Become Perfect Timing
From Far North To The Islands
GDE They Talking

Misery Loves Company
It's Getting Crowded
