[Hook]

It's been a long damn time since a nigga sold dope  
But if you put a brick right in front of me  
I remember  
Baking soda and a triple bean, I remember  
Load a fully auto magazine, I remember  
I done fucked so many bitches  
That I can't remember names  
But if you put that pussy right up in my face  
I remember  
Drop that pussy down on the floor  
I remember  
The way she coming down on the pole  
I remember

Pop the pussy, don't play with it  
I don't care if Kanye hit it,  
I don't care if Jay hit it  
I'ma eat it up and I'ma lay with it  
We shot a chop at the gun range  
Got stupid cars, got dumb change  
Red bottoms, let the tongue hang  
Got a off white Porsche, come stand  
I'm whipping work, I remember  
Roll up that purp, I remember  
Pour up that syrup, I don't remember  
I thought she had that purple slut  
She coming out that blender  
Got a Kesha, got a Rhonda  
Got a Anisha, got a Tanya  
Got a Ticia, and a Honda  
And I eat her, Anaconda  
Got condoms in that condo  
Got kush greener than rondo  
Still hit you up for that flow  
You already know

I remember  
The way she coming down on the pole  
I remember

Got a Rolls Royce, got a black Benz  
Got a bad bitch with some bad friends  
She bring them through and I fuck them  
But I don't fuck with them in public  
Got random bitches just walking up  
Baby like do you remember us  
She show me that tat on her ass  
And I be like "I remember"  
Chop it up like a blender,  
I fuck then I be friend her  
Got a red bitch call her Ginger  
Ask cash on my agenda  
You buy the bitch, you rent her  
She took your cash and I sent her  
That pussy prolly so tight  
Calling that shit a legal tender  
Hold up, hold up, hold up  
That's a young nigga dinner  
Feast your eyes to a fucking line  
That's vizine nigga, never cry  
We were young niggas, wailing out  
Talking shit to niggas that's 35  
Your daughter pull in my driveway  
I smash that and others ride
