I'm Different, yeah I'm different
I'm Different, yeah I'm different
I'm Different, yeah I'm different
I'm Different, yeah I'm different

Lambo, vinted doors spent half a' million
Car Weezy mix tape got no ceilings, flossed like a
dentist
Numb to a bitch no feelings,
Lot of bad bitches and my nigga stilly tripping OG's got
old clips like Lord Willy
Let the guest squeeze, like fresh lemon
Old money but that need more light demi'
Raw like 80 keep a sock kick semi shit
Bang' you're going dumb I'm going Timmy

I don't drive no fucking Infinity, pull up niggas clear the
vicinity, Killin your vanity, Huhrrgh like a lanaby
shots!(Shots!)
Nigga scrabbling
All about my chips gambling
Mend lade bay veteran
Bad bitch let her in, Late night let them in,
Allergic to broke niggas, claritin,
7 6 ball hard alwaysstay travelling
Referee shots got haters back pedalling,
Bar like I'm 70 stay where the weather 93
Got a fly private cause my niggas got felony,
Used to do Beverly, now we shop overseas
Pop that dick bitches fit it in their ovaries
Dam', I love when a bitch got her ass tatted
Said she just got it done don't pat it,
Both hands left cheeks now I'm left handed
Hah!, ass so big, can't look at it
Can't look at it, can't look at it
Made be bust fast like I'm trigger happy
She like when I talk shit like bitter rally,
And I give her hard wood like a cabin,
Cabin in the woods all you niggas acting scary
Get my collab on, dr Roman Nally
Shirt off nigga feeling like Macavely
All my niggas going ham, we don't need a deli,

Uh a shits you can tell me got them pitched off R Kelly
Bitches tell me sure like I'll be all I do is win like Gwen
don't doubt be
Bitch took 22 years to get rich
Been in love twice still screaming Bitches ain't shit
Trying to keep all my niggas out a jail they always
hitting licks
And I'm paid in full, niggas call me Money Making Mitch
T-Rell Æ, -œ that my nigga
Mitty Santana he'll groove a nigga
Eat quick cash like a fast food dinner
Nigga don't remember shit
They don't remember me nigga

Cause I'm the shit
Bitch!
