## "Light Dreams"

Visit "[Light Dreams](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Unreal to a close eye,  
Can't feel but you heard that I'm close by  
It's more vivid the image invented in my mind,  
I look around and really I see a fake smile  
No time, when the tickets down,  
My Rolex style don't mean shit now  
It's just another pay cut my mind made up  
Unnecessary lay-ups  
You can still win n got a rich n star player  
F-ck a hater still remain-a-self-made n-gga  
Live bigger, credit cards no limits  
I drop 20 on the luggage took 10 minutes  
I don't shop online those are all gimmicks  
Only make moves when your hearts in it  
B.I.G. said it; so I entertain like Cedric  
Standin on the trunk roof top unit city  
Batman, spotlight, gotta say you bitches  
The jokes on you Jack,  
Who the fuck you gon call when your shit towed, by the  
repo  
Can't tell your girl so she the center fold  
Now you gettin played like Casio's; uuh  
Casino's, C-notes and chips like Frito's  
Got a free coat, when Costa Rico  
Most hoes only know two words

Like "gimme those", still buy em tho  
Currently ballin' so I gotta letcha know  
Flash thru the tint roll the window  
Tilt the brim  
What the f-ck I did, lemme see your registration  
Imma keep it real kid I'm just hatin  
Ain't a opportunity I ain't take close chase  
City national bank evolve into shape  
Of a dollar then I duplicate,  
Motherf-cker don't believe let me demonstrate  
I dream the motherf-cker try to kill me in my sleep  
Whats the point to steak when n-ggas want beef  
Diss me cus they hungry made a meal that you couldn't  
eat  
You f-cken snakes in the rat race 2 face bitches  
That's why I don't f-ck wit none of yall n-ggas

Cus soon yall fell when you fell wit em  
Its like puttin '87 in a Bentley; n-gga don't tempt me

Everything aint everything  
Shit aint always wat it seems  
I put that on everything no sleep having light dreams  
What I see is what I cant reach I put that on everything  
Goin crazy, I might be no sleep having light dreams  
I dream (I dream)  
(x2)
