Know we fall in love again (x4)
Yo, Everybody got a story
But this is mine.

I think I started somethin,
New chick, just started fuckin.
Kinda early, but I know we both love it.
We both rushin, we could add titles.
But then we both cuffin.
Rollin in the sheets till midnight, moanin.
I'mma go down south then call the
Pussy pink like a lotus.
I'mma eat it good like somethin outta Lawrys.

Oh...

All good like a summer day.
Blowin out the cake, blowin Novacane.
She really shouldn't,
But she prone to that lifestyle.
THC, ecstasy, in the white cells.
Can you hear me now?
Can you hear me now (baby pick up)

Heard she with some niggas ball players playin pick up.
My pretty little princess, now she is promiscuous.
Supposed to be my princess,
Out here fuckin niggas.
I aint trippin, Imma get another bitch.
I don't mean this shit
It's too hard to end this shit
I rather stay then call it quits
I know we fall in love again
Know we fall in love again

Real nigga got hoes on my dick
Couldn't see them, love had my eyes closed
Now I see them, ain't nothing worth it though
Rather be with you than out here a lonely soul
On the road entertainin hoes.
Bitches I don't know tweetin from their camera phones

Man this shit gettin old
I just hope we still involved
I just hope we still involved.
