Pain! Deep in my heart!  
Pain! Got me this far!  
Pain! Follows me in the dark!  
Pain! So I copped the new car!  
Pain! Washed down my thoughts!  
Pain! Makes me feel nause!  
Pain! This lifestyle brought!  
Pain! I'm in so fuck off

First off let me clear this up  
This was never your dream  
Now this is what you want!  
This life just ain't reality to me!  
Being a star is how I breathe!  
But u don't wanna let me succeed!  
(Why! )  
Now there is people after me!  
Low key!  
I ride!  
No high key!  
Tires! Low pro!  
There go Tyga!  
Dey know!  
Every verse I flow  
Times two!  
His flow so cold!  
Dey knew!  
So they stuck around like  
Bubble gum on shoes  
Waiting patiently for the food!  
How many can u feed with one spoon!  
Got damn nigga let me tie my shoe!  
I just wanna be in the game and run too!  
Fall back! Relax ma nigga!  
And I'll lace u!  
And take u to a place u can only dream!  
This industry shady!  
So I keep it real on the daily!  
Tyga man I was your friend!  
Now it's!

Pain! Deep in my heart!

Pain! Got me this far!

And tell someone else  
He ont help he ont care  
He for self fuck his wealth  
That's how I feel!  
When I'm performin on the stage!  
This shit just fills my rage!  
Shout out to rage!  
He said  
"Fuck what they say! "  
Let the haters hate bcuz now I'm paid!
