it's getting real tonight, you aint the only bitch on my  
mind  
i can make you feel alright, but i ain't gonna fuss a  
fight  
every girl i see i like, so why wanna waste your time?  
you know the deal uh? i'm right  
ya i'm for real love, i'm right, it's gettin real tonight

my time ticker on tres, fucking all night, midnight sex  
she ride like my old bitch, but she already knew that  
she feel me even when i'm gone, pillows between her  
legs, now she comfortable  
extend your back vovo , volcano when the shit explode,  
boom  
picture me tied down for life, i flash too bright, picture  
won't look right  
i need god advice dealing with these lady mice  
girls like planes enter the next flight

it's getting real tonight, you aint the only bitch on my  
mind  
i can make you feel alright, but i ain't gonna fuss a  
fight  
every girl i see i like, so why wanna waste your time?  
you know the deal uh? i'm right

ya i'm for real love, i'm right, it's gettin real tonight

iphone just filled with hoes, conversation goes, back  
and forth  
what you doing? chilling like eskimos?  
bet i eat your pussy good like vegetables  
nasty, nigger but you like it though  
freaky ass scorpio she ride me like carnivos  
and i'm horny though, sex in the morning though  
hormones got my snowboard going verticle  
vertigo, dizzy on my love boat, heard she got a party  
mouth  
wash ya ass out with soap  
damn we fuck again, she ain't my lover, we just cud i  
budi friends

it's getting real tonight, you aint the only bitch on my  
mind  
i can make you feel alright, but i ain't gonna fuss a  
fight  
every girl i see i like, so why wanna waste your time?  
you know the deal uh? i'm right  
ya i'm for real love, i'm right, it's gettin real tonight
