We did this shit here for the DJ

[Chorus:]Saw me pull up in that 458
She geeked
Saw so many other bitches on my dick
She geeked
She couldn't believe my ambiance she love the way I
speak
She geeked
She told me take em off she know we in the club
She geeked

[Sean Garrett:]They use to call me young boy
Bitches call me big boy now
I got my millies and milles up and my visa out
Now the young nigga get the old nigga in a choke hold
Now he askin me more questions than his bitch Coco
And ya know she wouldn't be on me but recession
versus
money aint the fight that you take when you up against
a bank
She geeked
I keep all my receipts
A nigga don't sleep
They gon have to see me free Weezy

[Chorus x2:]Saw me pull up in that 458
She geeked
Saw so many other bitches on my dick
She geeked
She couldn't believe my ambiance she love the way I
speak
She geeked
She told me take em off she know we in the club
She geeked

This beat got that booty bumpin
She think she seen it all but she aint seen nothing

The cars, the clothes and the jewelry
