[Lil' Wayne:]

Uh, and mommy used to tell me one day some girl
gone get me
Uh, but I won't know love if it walk right up and hit me
Uh, and if I fall to the ground I get up and fight another
round
Girl, and I got money on my mind, money on my mind,
but now...

[Hook:]

I keep thinking of you, I keep, I keep thinking of you, I
keep thinking of you
Girl, I keep thinking of you, I keep, I keep thinking of
you, I keep thinking of you [x2] girl!

And we ain't even gotta go far, we ain't gotta talk about
the war, we can just (Get it [x7])

I said we ain't even gotta go far, we ain't gotta talk
about the war, we can just (Get it [x7])

[Tyga:]

Damn I'm just thinking home 3 winner
Chripping late night, she had the light up antenna
Voices far from tenna
13 speaking like we 23 sometimes I would even miss
dinner
Cause talking with you felt more impotant than Jordan's
release when the 17's, remember?
I get em, simalar to any girl I've metion
They only thought I'd metion I'm only playing with your
intuition

You seem to think that I was different
But too flashy for boyfriend material
But I beg to differ
[?] don't showin' you more material,
Now listen, let's Kiss, like Gene Simmons
I've got a vision, fuck a title,
We the perfect image, you and I
No eyein' them, them girls, you be eyein' 'em, cause
they be eyein' him
They [?] stonger than vitamins,

Lovin' you to death, I didn't expect
Beautiful girls, make you suicidal,
I guess I'm dyin then...

[Lil' Wayne:]

Uhh, up jump the boogie, and shorty said she feelin'
my flavor
And even when I ain't lookin', I got her on my radar
And yes I know man I am so, so blessed to have her,
So yesterday, today, and the day after I keep thinkin' of
you,
I keep thinkin' of youuu

[Hook:]

I keep thinking of you, I keep, I keep thinking of you, I
keep thinking of you
Girl, I keep thinking of you, I keep, I keep thinking of
you, I keep thinking of you [x2] girl

Shorty said she feelin' my swag
Shorty said she feelin' my style
