"Hellbound"

Ripping through the clouds
At the speed of light
Gonna shoot him down
If he gets in my sights
I'm Hellbound!
Spellbound!
Shot down
Heading for the ground...
Now I'm closing in
He's got some dues to pay
I've got no thoughts of pity
His end is on his way
Now he's on my tail
And there's a smile on his face
Half a second later
And I'm wasted in space
No, No I'm Hellbound.
