Three o' clock on your watch as you stagger out into
the street

Whisky soaked, you light up a cigarette
for the way it feels between your fingers

Hold the phone, no let it ring
(She'll be there wondering)

It's been a long day but a longer night,
and this has been a long
(time coming)

This only the beginning, in the end you think you're
winning

This is only a fake ending, making yourself a way out

In your room, in your room, where you pace back and
forth

There were angels all around you now you can't see
them anymore

You take this pill from the bottle and now swallow
Giving in is not the problem, no, it's the dosage that will
do you in

This is only the beginning, in the end you think you're
