[Hook:]

So I met this girl at the club  
And I just wanted her to suck my dick  
And that's cause  
She's a boppin' bitch [x4]  
Now she's drunk and talkin' to me a lot  
Until we go to another room  
And that's cause  
She's a boppin' bitch [x4]

[Verse 1:]

This little slut whore sucks cock for a little more bucks  
Than a mother slut fucks for, real easy  
Cause I didn't even knock on the front door  
I used the welcome mat as a cum rag  
And all the Wolves fucked her too, yeah she's a  
comeback  
Fill her with a bunch of shit I purchased at the drug  
store  
Four more door looking sluts let me explore  
Till my cock got sore and started growing cold sores

[Hook:]

Now she thinks that I like her  
But all I really wanted was that mouth  
And that's cause  
She's a boppin' bitch [x4]  
Now she text messages me every day  
And I don't ever hit that bitch back

And that's because  
She's a boppin' bitch [x4]

[Verse 2:]

This little hoodrat started jockin at my jock strap  
Until my uncircumcised penis finally unwrapped  
Flapping up and down until the cack finally go splat  
Now you gotta spat, spit it out until you scat  
Then you gotta sat and shit it out, bitch, fuck your  
feelings  
You wasn't feeling shit when you was down there

kneeling  
Now shut the fuck up you got another dick to deal with

[Bridge:]

Now why can't we fuck with this bitch? (She's boppin')  
Wait, tell him why we can't fuck with this bitch? (That  
bitch is boppin')  
What is she? She a BB, what does that stand for? (She  
boppin')  
She, what does she be doin'? (She boppin')

[Outro:]

Now I'm at a fuckin' clinic  
Cause my dick is swollen and keeps itchin'  
Nigga, I'm a kill this bitch  
She's a boppin' bitch [x3]
