[verse 1]

Do you have any idea what you've done?
You took the only thing that beats in me. yeah yeahhh
I tried to get you out of my head,
But you insisted that you stayed there too...
So what am I supposed to do

[pre hook]

Should I
Let you keep me open while I'm hanging on your rope?
Cause I'm
Thinking, wishing, hoping that you'll never do me
wrong.

[hook]

Never thought that love could be this hard
Tryna get you to give me your heart
So deceiving, feeling speechless, and defeated
A white flag is above my door
Cause you got everything that you came here for
Got what you needed, now I'm bleeding, and
defeated...
I'm out of love...

[verse 2]

Tell me,
Is there someone else that
You seein
Cause everything that's different with me
If so,
Just tell me the truth
And I'll go
Look the other way and let it be...

[pre-hook]

I cant,
Let you keep me open while I'm hanging on your rope
Cause I'm
Thinking, wishing, hoping, that you'll never do me
wrong

[hook]

Never thought that love could be this hard
Tryna get you to give me your heart
So deceiving, feeling speechless, and defeated
A white flag is above my door

Cause you got everything that you came here for
Got what you needed, now I'm bleeding, and defeated
I'm out of love...
