It can happen any, day or night
in the middle of a crowded street or, underneath the
summer moonlight
You might hear music playing, fireworks will fly
Heartskips can get you dizzy,
moving so fast and just like that

Oohooooohooooo
You forget to say noooooohoo
ooooohooooohoo
You forget to say noooooohoo

Ever seen an angel looking, back into your eyes
Ever get that crazy feeling, burning like a fast car
spining on the time
There's no holding back
And no reason to
You lose your mind, the stars are lime
Before you know it happens in the moment

Oohooooohoooooo
ooooohooooo
You forgetto say noooooohoooo
ooooohooooohoooo
You forget to say no
You forget to say...
ahhahah

What's your name
Where're you from
Would you like to dance
Do you wanna fall in loooooove
do you wanna fall in love
oooooooooooooooooh yeah
Yeah,Yeah

Ooooohooo
You forget to say no
Do you wanna fall in love with me,tonight
ooooohooooh
You forget to say noooooohoo

(Do you wanna fall in love tonight)

Oooohooooo

(do you wanna fall in love with me)

ooohooooo

(do you wanna fall in love with me)

You forget to say noooooo

(do you wanna fall in love with me)

You forget to say noooooo

(do you want to fall in love with me)

You forget to say no
