[Verse 1:]

Did you know that everyday is so much more amazing
Waking up right next to you it feels like I'm daydreamin
Never thought that, I could ever,
Love somebody the way that I love you
We've had our days of fightin breakin up and leaving
But you'd always make it right
Your smile made my whole weekend
It just melts away
Right into your hands
And don't ever trade it
Baby I believe that we gon make it

[Chorus:]

I'm so proud to say that you are my first love
When we together baby know that your the only one
When you get next to me and hold me closely
I know you love me
You make my story complete
I'm so happy that I got you here to hold me down
I'll never break your heart
Or go astray no way no how
Treasure from up above
Never betrayed your trust
Always thinkin bout us
Baby I'm forever in love

[Verse 2:]

Oooo it feels so crazy when you wrap your arms around
me
I place my ear against your chest
To hear your heart beat
Take good care of me
Cause you're the reason
That I still believe our fairytale has just begun
If we made a movie then don't nobody say cut
If I could be dreamin then let me sleep forever
Your so lovely and sweet like honey
There aint nothin that can change the way this feelings
boo

[Chorus:]

I'm so proud to say that you are my first love
When we together baby know that your the only one
When you get next to me and hold me closely
I know you love me
You make my story complete
I'm so happy that I got you here to hold me down
I'll never break your heart
Aint going straight no way no how
Treasure for my beloved
Never betrayed trust
Always thinkin bout us
Baby I'm forever in love

I never thought that miracles could happen
But your living proof that he's up there listenin
And whenever I'm lost you help me find my way home
You direct me back to your houseeeeeeeeeee
Oooooooooooooo whoa whoa who who
I'm so proud baby
You are mine

[Chorus:]

I'm so proud to say that you are my first love
When we together baby know that your the only one
When you get next to me and hold me closely
I know you love me
You make my story complete
I'm so happy that I got you here to hold me down
I'll never break your heart
Aint going straight no way no how
Treasure for my beloved
Never betrayed trust
Always thinkin bout us
Baby I'm forever in love

I'm so proud to say that you are my first love
When we together baby know that your the only one
When you get next to me and hold me closely
I know you love me
You make my story complete
I'm so happy that I got you here to hold me down
I'll never break your heart
Aint going straight no way no how
Treasure for my beloved
Never betrayed trust
Always thinkin bout us
Baby I'm forever in love.
